

APPENDIX XIII - NP EVIDENCE BASE COMMUNITY ASPIRATIONS

It became clear from the responses to the general questionnaire that residents have aspirations that cannot be delivered through a Neighbourhood Plan. Some are quite ambitious and will need grants from major funders; none are easily achievable or deliverable through action groups.

Aspirations with significant support:-

Provision of a shop/post office *in the village*

Improve pedestrian footpaths

Improved bus services.

Cycle track to Tavistock

A GP surgery

Banking facilities

Lower speed limit and road safety regulation
